

Prokord HDMI-D 0060

Data sheet

Core Specs

Cable length	7 m
Connector 1	HDMI
Connector 2	DVI-D
Product colour	Black

Summary

- ✓ 7m length gives flexible placement for AV and display setups
- ✓ Connects HDMI sources to DVI-D displays for direct digital video
- ✓ Gold-plated contacts maintain signal integrity and resist corrosion
- ✓ Straight male plugs simplify installation and ensure secure fit
- ✓ Prokord build and black finish suit professional IT environments

Product description

Why choose this HDMI to DVI cable?

Prokord Cable HDMI - DVI-D Single Link 7m Black gives you a straightforward way to link an HDMI source to a DVI-D display. The 7 m length makes it easy to reach projectors or wall-mounted screens. Gold-plated contacts and a secured DVI connector help keep the signal stable and connections reliable in everyday AV setups.

Cable HDMI - DVI-D Single Link 7m Black in short:

- 7 m length, suited for connecting source devices to distant monitors or projectors.
- HDMI (male) to DVI-D (male) straight connectors, with thumbscrews on the DVI end for a secure fit.
- Gold-plated contacts to reduce corrosion and improve connection reliability.
- Single-link DVI-D carries digital video only, suitable for standard and high-definition displays.
- Note: DVI-D does not carry audio, so audio must be handled separately.

Product details

Cable HDMI - DVI-D Single Link 7m Black is a single-pack, black jacketed cable for digital video connections between HDMI outputs and DVI-D inputs. It is useful when you need a clean, reliable video feed from a PC, media player, or AV receiver to a monitor, projector, or display with DVI-D. The cable is intended for digital video transmission and is not designed for applications that require dual-link DVI bandwidth or embedded audio.
