

Prokord HDMI-D 0115

Data sheet

Core Specs

Cable length	2 m
Connector 1	Mini HDMI
Connector 2	DVI
Product colour	Black
HDMI version	1.4

Summary

- ✓ 2m length provides flexible placement for AV and conference setups
- ✓ Straight mini HDMI to DVI-D connection simplifies device linking
- ✓ Gold-plated contacts and aluminium foil shielding keep signals reliable
- ✓ Dual-link DVI support allows higher DVI bandwidth for compatible displays
- ✓ Durable PVC jacket and tinned copper conductors resist wear and kinks

Product description

Why choose this cable?

Prokord Cable HDMI Mini - DVI-D 2m Black provides a straightforward way to connect devices with a Mini HDMI output to displays with a DVI-D input. With a 2 m length and a durable PVC jacket, it is easy to position and route in meeting rooms, home setups, or AV installations. Gold-plated contacts and aluminium foil shielding help maintain a stable signal for everyday use.

Prokord Cable HDMI Mini - DVI-D 2m Black in short:

- Mini HDMI to DVI-D male-to-male connection, suitable for cameras, tablets, and compact media players to monitors or projectors
- 2 m cable length with flexible PVC jacket for simple routing and installation
- Gold-plated connector contacts and aluminium foil shielding to reduce signal loss and interference
- Dual Link DVI support for higher DVI bandwidth, while HDMI functionality follows HDMI 1.4 limits
- Does not support HDCP, so it is not suitable for protected content playback

Main functions

The Prokord Cable HDMI Mini - DVI-D 2m Black lets you link Mini HDMI output devices to DVI displays without adapters. Straight, gold-plated male connectors and tinned copper conductors provide reliable contact and signal transmission. The slim 4.8 mm cable and 32AWG wiring keep the assembly compact and easy to route behind furniture or equipment racks. If you need playback of protected content or resolutions beyond HDMI 1.4, consider those requirements before purchase.
