PROKORD

Cable HDMI - HDMI 0.5m Angled Black0.5m HDMI HDMI Black

Data sheet

Summary

- ✓ Short 0.5 m length ideal for tidy setups and close device placement.
- ✓ One straight and one angled male connector, convenient for wall-mounted TVs and cramped AV racks.
- ✓ Gold-plated contacts for stable contact and reduced corrosion over time.
- ✓ Ferrite cores reduce electromagnetic interference for clearer audio and video.
- ✓ Check device requirements if you need 4K at 60 Hz, since this cable follows HDMI 1.4 specifications.

Product description

Why choose this cable?

Prokord Cable HDMI - HDMI 0.5m Angled Black gives you a compact, reliable HDMI connection for tight installations. It combines an angled plug with a short 0.5 m length to avoid cable strain and simplify connections behind wall-mounted screens or AV furniture. The cable supports HDMI 1.4 features for high-definition video and multichannel audio, while gold-plated contacts and ferrite cores improve signal stability.

Cable HDMI - HDMI 0.5m Angled Black in short:

- Short 0.5 m length ideal for tidy setups and close device placement.
- One straight and one angled male connector, convenient for wall-mounted TVs and cramped AV racks.
- Gold-plated contacts for stable contact and reduced corrosion over time.
- Ferrite cores reduce electromagnetic interference for clearer audio and video.
- Check device requirements if you need 4K at 60 Hz, since this cable follows HDMI 1.4 specifications.

Product details

This Prokord cable lets you connect HDMI-equipped devices where space is limited, such as set-top boxes, media players, and monitors. The angled connector reduces stress on ports and keeps the cable close to the device. Built-in ferrite cores help suppress interference, while the black finish blends with most AV setups. The pack contains one cable.
