- ✓ 1.5m length provides tidy reach for desktops and AV cabinets
- ✓ Gold plated contacts ensure reliable connections and corrosion resistance
- ✓ Compatible with HDMI 1.4 devices for high definition audio and video
- ✓ Straight male connectors make installation quick and secure

Product description

Why choose this HDMI cable?

Prokord Cable HDMI - HDMI 1.5m Flat White gives a clean, reliable connection between HDMI devices while reducing visible cabling. Its flat profile makes routing along walls and under furniture easier, and gold-plated contacts help keep a steady connection. The 1.5 m length fits short to medium setups, lowering clutter and simplifying audio and video routing.

Cable HDMI - HDMI 1.5m Flat White in short:

- Flat cable profile for easier routing behind furniture and along skirting boards.
- Gold-plated HDMI connectors for improved contact reliability and corrosion resistance.
- 1.5 m length, suitable for connecting nearby TVs, monitors, projectors, or set-top boxes.
- HDMI 1.4 compatibility for high-definition video and multichannel audio, consider a newer HDMI version if you need 4K at 60 Hz or other higher-bandwidth features.
- White finish blends into light-coloured interiors for a less obtrusive installation.

Product details

Prokord Cable HDMI - HDMI 1.5m Flat White connects HDMI-equipped devices such as streaming boxes, players, consoles, and displays, carrying both audio and video over a single run to simplify setups. The flat cable reduces bulk and eases installation in tight spaces, while straight male-to-male connectors provide a secure fit. This cable is a practical choice for everyday home and office AV connections where a neat, short-length link is needed.
