

Prokord HDMI-H 0076

Data sheet

Core Specs

Cable length	15 m
Connector 1	HDMI
Connector 2	HDMI
Product colour	Black
HDMI version	1.4

Summary

- ✓ 15m length gives flexibility for home cinema, conference or signage
- ✓ Supports 1080p at 60Hz with HDCP for protected, smooth playback
- ✓ Aluminium foil plus braid shielding minimises interference on long runs
- ✓ Gold plated contacts and tinned copper conductors maintain signal

Product description

Why choose this HDMI cable?

Prokord Cable HDMI - HDMI 15m Act Black gives you a reliable full HD connection over a long run, ideal when distance matters. It combines a flexible TPE jacket, foil and braid shielding, and gold-plated HDMI connectors to reduce interference and maintain signal integrity for presentations, home cinema setups, and digital signage.

Prokord Cable HDMI - HDMI 15m Act Black in short:

- Long 15 m length for flexible placement of displays, projectors, and source devices.
- Supports Full HD video up to 1080p at 60 Hz and 8-bit colour depth, suitable for standard HD video and common AV setups.
- Robust construction with TPE jacket, aluminium foil plus braid shielding, and gold-plated contacts for stable connections over time.
- HDCP compliant for protected video playback, and male-to-male straight HDMI connectors for easy plug-and-play use.
- Note: HDMI version 1.4, so it does not support HDR or newer 4K features.

Product details

This cable connects two HDMI-equipped devices with straight male connectors on both ends, carrying video and audio over a 15-m run. The tinned copper conductors and dual shielding help limit signal degradation and electromagnetic interference across long distances. With a 7.3 mm diameter and 28 AWG wiring, the cable balances flexibility and durability for permanent or temporary installations. The cable supports HDCP-protected content and common Full HD formats, but it does not provide the higher bandwidth needed for HDR or modern 4K/60 Hz HDR workflows.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	15 m
Connector 1	HDMI
Connector 1 gender	Male
Connector 1 form factor	HDMI
Connector 2	HDMI
Connector 2 gender	Male
Connector 2 form factor	HDMI

Product colour	Black
Maximum resolution	1080p pixels
HDMI version	1.4
AWG wire size	28AWG
Connector contacts plating	Gold plated
HDCP	Yes
Cable jacket material	TPE
Cable shielding	Aluminium foil + braid
Quantity per pack	1 pc(s)
Data transfer rate	2.55 Gbit/s
High Dynamic Range (HDR) supported	No
Maximum refresh rate	60 Hz
Cable material	Tinned copper
Colour depth	8 bit

Weight & dimensions

Cable diameter	7.3 mm
Weight	800 g
