- ✓ Flat low-profile cable fits tight spaces and hides neatly
- ✓ Gold-plated HDMI contacts resist corrosion and boost reliability
- ✓ 2m length provides flexible placement between devices
- ✓ Male-to-male straight HDMI connectors match standard ports

Product description

Why choose this cable?

Cable HDMI - HDMI 2m Flat White Prokord is a 2 metre flat HDMI cable that keeps installations neat and reduces visible clutter. Its low-profile design makes routing along walls, behind furniture or under carpets straightforward, saving installation time and creating a cleaner AV setup.

Cable HDMI - HDMI 2m Flat White in short:

- Flat 2 m cable for tidy routing along walls, under carpets and in AV cabinets.
- Male-to-male HDMI with straight connectors for direct connection between sources and displays.
- HDMI 1.4 compatibility for high-definition video and audio, including common features such as 3D and audio return channel.
- Gold-plated contacts improve connection reliability and resist corrosion.
- Check that HDMI 1.4 meets your resolution and refresh rate needs, higher-bandwidth setups may require HDMI 2.0 or later.

Practical use

This Prokord cable is designed to connect set-top boxes, Blu-ray players, media players and other HDMI sources to TVs, monitors and projectors while staying out of sight. The flat profile and straight connectors make it easier to pass through narrow gaps and keep a tidy appearance. The white finish blends with light-coloured installations, and the gold-plated contacts help maintain a stable signal over time.
