Product description

Why choose this cable?

Prokord Cable Mini-DisplayPort - DVI-D 1m White offers a practical way to connect Mini DisplayPort-equipped laptops and graphics cards to DVI-D monitors and projectors. It provides a reliable digital video link over a compact 1 m lead, with gold-plated contacts to help maintain signal quality and a white finish that fits modern workspaces.

Cable Mini-Displayport - DVI-D 1m White in short:

- Convert Mini DisplayPort output to DVI-D input for connecting laptops or small form factor PCs to older displays and projectors.
- 1 m length keeps desk and meeting-room setups tidy.
- Supports DisplayPort 1.2 for stable digital video transmission.
- Gold-plated contacts and straight male/female connectors for dependable connections.
- Note: DVI-D carries digital video only, it does not provide analog VGA signals.

Product details

The Prokord Cable Mini-DisplayPort - DVI-D 1m White provides plug-and-play compatibility between Mini DisplayPort sources and DVI-D displays. It uses a straight male Mini DisplayPort connector and a straight female DVI-D connector, with gold-plated contacts to reduce corrosion and help preserve signal integrity. Supplied as a single unit, it is suitable for desk, kiosk, and meeting-room installations where a short, reliable digital video connection is required. Check that your display accepts DVI-D before purchase.
