

Prokord MDPH12-5M

Data sheet

Core Specs

Cable length	5 m
Connector 1	Mini DisplayPort
Connector 2	HDMI
Product colour	White
HDMI version	1.4
DisplayPort version	1.2

Summary

- ✓ 5m length gives flexible placement between devices and displays
- ✓ Supports 4Kx2K resolution via HDMI 1.4 and DisplayPort 1.2
- ✓ 3 Gbit/s transfer and 12bit colour depth for stable video
- ✓ Aluminium foil and braid shielding reduce interference and noise
- ✓ Gold plated contacts resist corrosion and improve connection reliability

Product description

Why choose this cable?

Prokord Cable Mini-Displayport - HDMI W/Audio 5m White gives a straightforward, reliable way to connect Mini DisplayPort devices to HDMI displays. It provides extended reach for flexible screen placement, stable signal transfer for presentations and video, and a white design that blends into modern meeting rooms and workspaces.

Cable Mini-Displayport - HDMI W/Audio 5m White in short:

- Connect a Mini DisplayPort-equipped laptop or PC to an HDMI monitor, TV, or projector while carrying audio.
- 5 m length lets you position screens or projectors away from the source without adding adapters.
- Supports up to 4Kx2K resolution and 12-bit colour depth for detailed images and clear presentations.
- Gold-plated contacts, tinned copper conductors, and aluminium-foil plus braid shielding improve connection reliability and reduce interference.
- Note: HDCP is not supported, so playback of some protected streaming content may be restricted.

Product details

The cable has Mini DisplayPort male and HDMI male connectors in a straight form factor, making it easy to plug devices directly together. HDMI 1.4 and DisplayPort 1.2 compatibility ensures broad support for common displays and projectors. The 32 AWG conductor and 4.8 mm jacket keep the cable thin and flexible, while the PVC jacket and lightweight construction make routing and installation simple. Gold-plated contacts help prevent corrosion and maintain a consistent signal over time.

Technical Specification Matrix

Header

Manufacturer	Prokord

Features

Cable length	5 m
Connector 1	Mini DisplayPort
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	HDMI
Connector 2 gender	Male
Connector 2 form factor	Straight
Product colour	White
HDMI version	1.4

DisplayPort version	1.2
Connector contacts plating	Gold plated
HDCP	No
Colour depth	12 bit
Maximum resolution	4Kx2K pixels
HBR2 support	No
Cable material	Tinned copper
Cable shielding	Aluminium foil + braid
Jacket material	PVC
AWG wire size	32AWG
Data transfer rate	3 Gbit/s

Weight & dimensions

Weight	63 g
Cable diameter	4.8 mm
