

Cable SATA/SAS Internal Straight 0.5m Red

Data sheet

Summary

- ✓ Internal SATA III cable that supports data rates up to 6Gbit/s, suitable for HDDs and SSDs.
- ✓ Straight male/female SATA connectors on both ends for straightforward drive installation and service.
- ✓ Slim, flat red cable with black connector housings, easy to route and identify inside systems.
- ✓ 0.5 m length keeps cable runs short and reduces clutter in compact enclosures.
- ✓ Note: intended for internal use only, not for external connections.

Product description

Why choose this cable?

Prokord Cable SATA/SAS Internal Straight 0.5m Red provides a reliable internal connection for SATA devices, delivering stable data transfer at up to 6Gbit/s while keeping internal layouts tidy. Its compact length and clear red-and-black design make installation and identification easier in crowded cases and server racks.

Cable SATA/SAS Internal Straight 0.5m Red in short:

- Internal SATA III cable that supports data rates up to 6Gbit/s, suitable for HDDs and SSDs.
- Straight male/female SATA connectors on both ends for straightforward drive installation and service.
- Slim, flat red cable with black connector housings, easy to route and identify inside systems.
- 0.5 m length keeps cable runs short and reduces clutter in compact enclosures.
- Note: intended for internal use only, not for external connections.

Product details

Prokord Cable SATA/SAS Internal Straight 0.5m Red connects motherboard ports to storage devices with a simple plug-and-play design. The flat cable profile helps with airflow and cable management, while the distinct red colour improves visibility during installation and maintenance. With one cable per pack, it is a practical choice when you need a short, dependable internal SATA/SAS link for builds or service tasks.
