Product description

Why choose this network cable?

Prokord TP-Cable STP CAT.6 Shielded Lszh RJ45 2m Green gives you a short, dependable Ethernet connection where signal integrity and safety matter. Shielding and copper conductors support stable high-speed links in electrically noisy environments. The low-smoke, zero-halogen jacket reduces toxic fumes in confined spaces, and the green colour helps with clear, colour-coded cabling.

TP-Cable STP CAT.6 Shielded Lszh RJ45 2m Green in short:

- Shielded Cat 6 cable that lowers electromagnetic interference, useful near power equipment and in dense racks.
