

Prokord USB-0004

Data sheet

Core Specs

Cable length	0.2 m
Connector 1	USB-A
Connector 2	USB-A
Product colour	Black
USB version	USB 2.0
USB Power Delivery up to	2.5 W

Summary

- ✓ 0.2m length keeps workstations tidy and reduces cable clutter
- ✓ Male to female USB-A extension adds reach to existing ports
- ✓ USB 2.0 at 480Mbit/s handles peripherals and data syncing
- ✓ Supports 5V, 0.5A power delivery, suits low-power devices
- ✓ LSZH jacket and nickel-plated contacts boost safety and reliability

Product description

Why choose this USB extension cable?

Prokord Cable USB 2.0 Ext Type A-A Male-Female 0.2m Black gives you a short, reliable way to extend a USB-A connection while reducing cable clutter and wear on device ports. It provides stable USB 2.0 data transfer and a low-smoke zero halogen jacket for safer use in offices and equipment rooms.

Cable USB 2.0 Ext Type A-A Male-Female 0.2m Black in short:

- Short 0.2 m extension, useful when a small reach is needed without excess cable.
- USB 2.0 data rate up to 480 Mbit/s, suitable for keyboards, mice, printers and other low-to-medium bandwidth devices.
- Low smoke zero halogen (LSZH) jacket, appropriate for installations where reduced smoke and toxic emissions are important.
- Nickel-plated contacts and straight male/female USB-A connectors for consistent connections and durability.
- Consideration: limited to USB 2.0 speeds and 2.5 W power delivery, not intended for high-power charging or USB 3.x devices.

Practical use and compatibility

This Prokord cable functions as a simple extension between two USB-A ports, letting you relocate or better position peripherals without stressing the device port. The 5 V, 0.5 A power capability covers typical low-power accessories, while the round cable and straight connectors keep the connection neat. The product is sold as a single unit and fits standard USB-A equipment where USB 2.0 performance and modest power are sufficient.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Max data transfer rate	480 Mbit/s
Cable length	0.2 m
USB version	USB 2.0
Connector 1	USB-A
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	USB-A
Connector 2 gender	Female

Connector 2 form factor	Straight
USB Power Delivery up to	2.5 W
Product colour	Black
Cable type	Round cable
Cable jacket material	Low smoke zero halogen (LSZH)
Connector contacts plating	Nickel plating
Reversible connectors	No

Power

Input voltage	5 V
Input current (max)	0.5 A
