## Product details

The Prokord Cable Adapter Type B Micro-B Mini Male-Female 0.2m has a straight Micro USB-B male plug and a straight Mini USB-B female receptacle on a short 0.2m cable, making it suitable for short, direct connections. It supports USB 2.0 transfer rates and is useful when you need to link older cameras, GPS units, and other legacy peripherals to compatible hosts. The single-piece pack reduces cable clutter and makes the adapter easy to use on service benches or for temporary connections.
