

Prokord USB-0021

Data sheet

Core Specs

Cable length	1 m
Connector 1	USB-A
Connector 2	Mini USB-B
Product colour	Black
USB version	USB 2.0
USB Power Delivery up to	2.5 W

Summary

- ✓ 1m length fits desktop setups without excess cable.
- ✓ USB 2.0 speed at 480Mbit/s for reliable file transfers.
- ✓ Mini-B to USB-A male ends simplify direct device connections.
- ✓ Supplies up to 2.5W at 5V for compatible low-power devices.
- ✓ LSZH jacket and nickel-plated contacts improve safety and durability.

Product description

Why choose this cable?

Prokord Cable USB 2.0 Type A-B Mini Male-Male 1m Black gives you a dependable, low-cost link for peripherals such as scanners, printers and legacy cameras. The 1 meter length keeps setups neat, while the LSZH jacket and straight connectors deliver durability and safe installation in offices, schools and IT racks where predictable performance matters.

Cable USB 2.0 Type A-B Mini Male-Male 1m Black in short:

- Connects devices with a USB-A port to devices using a Mini USB-B port, ideal for scanners, older cameras and some external drives.
- USB 2.0 data rate up to 480 Mbit/s, suitable for standard file transfers and device control.
- Low smoke zero halogen (LSZH) round jacket for safer installations in enclosed or public spaces.
- Nickel-plated contacts and straight male connectors for secure fitting and improved corrosion resistance.
- Consideration: limited to USB 2.0 speeds and 1 m length, so not suited for high-speed transfers or longer cable runs.

Product details

The cable supports standard USB 2.0 data and provides up to 2.5 W of device power, which is fine for peripheral operation but not for charging larger devices. The round construction and straight connector forms make routing and connection straightforward. The product is supplied as a single unit and is finished in black to blend into typical office and lab environments.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Max data transfer rate	480 Mbit/s
Cable length	1 m
USB version	USB 2.0
Connector 1	USB-A
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	Mini USB-B
Connector 2 gender	Male

Connector 2 form factor	Straight
USB Power Delivery up to	2.5 W
Product colour	Black
Cable type	Round cable
Cable jacket material	Low smoke zero halogen (LSZH)
Connector contacts plating	Nickel plating

Power

Input voltage	5 V
Input current (max)	0.5 A
