

Prokord USB-0034

Data sheet

Core Specs

Cable length	3 m
Connector 1	USB-A
Connector 2	USB-B
Product colour	Black
USB version	USB 2.0
USB Power Delivery up to	2.5 W

Summary

- ✓ Reliable USB 2.0 link at 480Mbit/s for printers and peripherals
- ✓ 3m length gives flexible reach between workstations and devices
- ✓ Nickel plated contacts ensure stable connections and low wear
- ✓ Straight USB-A to USB-B ends fit standard printers and scanners
- ✓ PVC jacket and round cable resist daily use in office environments

Product description

Why choose this USB A-B cable?

Prokord Cable USB 2.0 Type A-B Male-Male 3m Black gives you a straightforward, reliable link between a computer and USB-B devices like printers and scanners. It balances dependable data transfer and basic power delivery, while the 3 m length makes device placement easier without extra adapters or extensions.

Cable USB 2.0 Type A-B Male-Male 3m Black in short:

- Connects a host PC to printers, scanners and other USB-B peripherals using standard male USB-A to male USB-B plugs.
- Supports USB 2.0 data rates up to 480 Mbit/s for routine file transfers and device communication.
- 3 m length provides flexible placement of devices in offices and workstations.
- PVC jacket and nickel-plated connector contacts improve durability and resistance to corrosion.
- Note: supplies standard USB 2.0 power up to 2.5 W, so it is not suitable for devices that need higher power delivery.

Product details

The Cable USB 2.0 Type A-B Male-Male 3m Black is a round PVC-jacketed cable with straight male USB-A and USB-B connectors. It is designed for everyday connections between a PC and peripheral devices, offering stable signal transfer and easy plug-and-play use. Nickel-plated contacts help maintain reliable contacts over time, and the cable's length reduces the need for additional adapters or extensions.
