Product details

Prokord Cable USB 3.0 Ext Type A-A Male-Female 1.5m Blue is a plug-and-play extension cable for standard USB-A ports. Use it to extend reach without moving the host device and to reduce repeated plugging that can stress built-in ports. The straight male and female Type-A connectors match common ports and the round cable balances flexibility with everyday durability. The LSZH jacket reduces smoke and toxic gases in case of fire, and nickel-plated contacts help maintain a consistent connection during regular use.
