

Prokord UTP-0033

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Cable length	10 m
Jacket material	LSZH

Summary

- ✓ Cat6 UTP cable supports 10Gbit/s at 250 MHz for fast, reliable links
- ✓ LSZH jacket limits toxic smoke for safer use in offices and racks
- ✓ PoE compatible, powers cameras and APs without extra wiring
- ✓ 10m length with 26 AWG copper conductors for flexible installations
- ✓ Orange RJ45 connectors make identification and patching quick

Product description

Why choose this network cable?

Prokord TP-Cable UTP CAT.6 Unshielded Lszh RJ45 10m Orange gives you a reliable, visible link for desk-to-switch and patch-panel connections. It supports high-speed Ethernet and Power over Ethernet so you can power access points and phones without extra cabling. The LSZH jacket reduces smoke in enclosed spaces, helping meet safety requirements for many commercial installs.

TP-Cable UTP CAT.6 Unshielded Lszh RJ45 10m Orange in short:

- Cat 6 U/UTP construction for fast local network and switch-to-switch patching.
- 10 metre length and bright orange jacket make routing and identification easier in racks and floors.
- LSZH jacket for lower smoke and halogen-free installations in offices and public buildings.
- Supports Power over Ethernet so you can connect and power compatible devices without separate power leads.
- Note: unshielded design is not intended for high electromagnetic interference environments.

Main functions

This Prokord cable uses male RJ45 connectors on both ends for simple plug-and-play connection to switches, NICs, patch panels and PoE devices. Copper 26 AWG conductors maintain signal integrity for gigabit and 10 gigabit-capable links at typical Cat 6 distances. The molded boots protect the clips and reduce wear, while the orange LSZH jacket helps you keep cable runs organised and compliant with safety requirements. The product is supplied as a single 10 m unit.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	10 m
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	Orange
Jacket material	LSZH

Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	26
Frequency	250 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
