

Prokord UTP-0037

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Cable length	10 m
Jacket material	LSZH

Summary

- ✓ Delivers up to 10 Gbps at 250 MHz for reliable high-speed links
- ✓ LSZH jacket reduces smoke and halogen risk in confined spaces
- ✓ Supports PoE, so you can power devices over the same cable
- ✓ 26 AWG copper conductors provide stable signal with low loss
- ✓ Bright yellow 10 m UTP with RJ45 plugs simplifies routing

Product description

Why choose this network cable?

Prokord TP-Cable UTP CAT.6 Unshielded LSZH RJ45 10m Yellow. This cable gives you reliable, high-speed connections for office and data-room use. The 10 metre length and RJ45 plug-and-play connectors simplify desk and rack connections. The LSZH jacket reduces smoke and toxic gases in confined spaces and the yellow colour helps with quick identification during installation and troubleshooting.

TP-Cable UTP CAT.6 Unshielded Lszh RJ45 10m Yellow in short:

- Cat 6 U/UTP cable for stable high-speed data links and short-range 10 Gbit/s use.
- Ready-to-use RJ45 male-to-male leads, ideal for patching between switches, patch panels and workstations.
- LSZH jacket for safer deployments in public or enclosed buildings.
- Supports Power over Ethernet, so you can power compatible devices over the same cable.
- Note: unshielded design is best for typical office environments; consider shielded cable for areas with high electromagnetic interference.

Product details

The cable uses copper conductors with 26 AWG wiring to maintain consistent signal quality across its 10 metre length. Standard RJ45 connectors make installation straightforward and compatible with common networking equipment. Support for PoE lets you power cameras, access points and VoIP phones without separate power lines. The low smoke zero halogen jacket improves safety in case of fire, and the yellow jacket helps keep cabling organised.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	10 m
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	Yellow

Jacket material	LSZH
Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	26
Frequency	250 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
