

Prokord UTP-0038

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Cable length	15 m
Jacket material	LSZH

Summary

- ✓ Cat6 UTP cable, 10 Gbit/s throughput and 250 MHz frequency
- ✓ 15 m length fits server rooms and flexible workstation layouts
- ✓ LSZH jacket reduces toxic smoke, suitable for office environments
- ✓ 26 AWG copper conductors with RJ45 plugs for reliable links
- ✓ Supports PoE for powered devices, sold as a single black cable

Product description

Why choose this network cable?

Prokord TP-Cable UTP CAT.6 Unshielded LSZH RJ45 15m Black. This 15 m Cat 6 patch cable provides reliable wired connectivity for switches, routers and PoE devices. The LSZH jacket reduces smoke and halogen emissions in enclosed spaces, supporting safer installations. UTP construction and RJ-45 plug-and-play connectors make it easy to deploy in standard office and data?room environments.

TP-Cable UTP CAT.6 Unshielded Lszh RJ45 15m Black in short:

- 15 metre Cat 6 patch cable for connecting network equipment and endpoints across office or server-room distances.
- Unshielded U/UTP design suitable for typical Ethernet runs where no additional shielding is required.
- LSZH jacket for installations where low smoke and halogen-free materials are preferred for safety.
- Supports up to 10 Gbit/s and 250 MHz, suitable for high-speed data and PoE-powered devices.
- Consider that this is an unshielded cable; in environments with high electromagnetic interference a shielded cable may be more appropriate.

Product details

Prokord TP-Cable UTP CAT.6 Unshielded LSZH RJ45 15m Black uses 26 AWG copper conductors and male RJ-45 connectors on both ends for a straightforward connection. The cable supports PoE, so you can power compatible access points and cameras over the same run. Molded connectors with integrated strain relief improve durability during repeated installation and the transparent plugs allow quick visual inspection of termination. This single-pack cable is ready for immediate use in standard network installations.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	15 m
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	Black

Jacket material	LSZH
Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	26
Frequency	250 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
-------------------	---------

Logistics data

Harmonized System (HS) code	84733080
