

Prokord UTP-0075

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Cable length	30 m
Jacket material	LSZH

Summary

- ✓ Cat6 performance, 10Gbps and 250MHz for stable high speed links
- ✓ UTP with copper conductors, consistent data transfer and low loss
- ✓ LSZH jacket reduces toxic fumes, ideal for enclosed office spaces
- ✓ 30m length provides flexibility for racks and workstations
- ✓ RJ45 male to male, PoE compatible for power and data over one cable

Product description

Why choose this ethernet cable?

Prokord TP-Cable UTP CAT.6 Unshielded Lszh RJ45 30m Grey provides stable wired connectivity for offices and installations where reliable, high-speed links matter. It balances performance and safety with a low-smoke zero-halogen jacket, straightforward plug-and-play RJ45 ends, and support for power over Ethernet to simplify device deployment.

TP-Cable UTP CAT.6 Unshielded Lszh RJ45 30m Grey in short:

- Supports up to 10,000 Mbit/s and 250 MHz, suitable for large file transfers, video conferencing, and networked storage.
- LSZH jacket reduces hazardous smoke and corrosive gases, making it appropriate for indoor and public spaces.
- U/UTP Cat 6 with 26 AWG copper conductors delivers consistent signal over a 30 m run, useful for patching between switches and outlets.
- RJ-45 male connectors are ready for plug-and-play installation and the cable supports PoE to power access points and cameras.
- Consideration: as an unshielded cable, you may prefer shielded alternatives in environments with strong electromagnetic interference.

What this cable does

This Prokord cable links network equipment quickly and reliably. The Cat 6 construction and copper conductors keep latency low and throughput high for day-to-day networking tasks. The LSZH jacket improves safety in confined spaces and the RJ45 terminations make setup fast, so you can connect switches, routers, access points, and PoE devices without extra adapters.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	30 m
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male

Product colour	Grey
Jacket material	LSZH
Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	26
Frequency	250 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
-------------------	---------

Logistics data

Harmonized System (HS) code	84733080
