

Prokord UTP-0088

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Cable length	5 m
Jacket material	LSZH

Summary

- ✓ Cat6 performance, supports 10Gbps at up to 250MHz for fast links
- ✓ 5m length gives flexible reach for racks, desks and patch panels
- ✓ LSZH jacket reduces toxic fumes, ideal for offices and comms rooms
- ✓ UTP copper conductors with 26AWG deliver reliable wired connections
- ✓ RJ45 to RJ45 plug, supports PoE, ready for network devices

Product description

Why choose this Ethernet cable?

Prokord TP-Cable UTP CAT.6 Unshielded Lszh RJ45 5m Green delivers reliable network links for office and data-center patching. It provides high data throughput and Power over Ethernet support in a compact 5 meter length, while the low smoke zero halogen jacket improves safety in confined or public spaces. The cable is easy to deploy and helps keep installations organized with a clear color code.

TP-Cable UTP CAT.6 Unshielded Lszh RJ45 5m Green in short:

- Cat 6 performance for high-speed LANs, supporting up to 10000 Mbit/s and 250 MHz for fast file transfers and streaming.
- LSZH jacket reduces smoke and corrosive gases, suitable for risers, cabinets, and public buildings.
- 5 m length and green color make it convenient for desk-to-switch and patch panel connections and for color-coded cabling schemes.
- Male-to-male RJ45 ends with copper conductors and 26 AWG wiring provide reliable contact and low signal loss.
- Note: unshielded U/UTP design is not ideal for areas with strong electromagnetic interference; choose shielded cable for noisy industrial environments.

Product details

This Prokord Cat 6 patch cable is designed for everyday network connections between switches, routers, patch panels, and PoE devices. The RJ45 plugs include molded strain relief for secure insertion and long life. The unshielded construction keeps the cable flexible and easy to route in trays and conduits. The green LSZH jacket helps you maintain a tidy, safe installation while meeting building safety considerations.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	5 m
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male

Product colour	Green
Jacket material	LSZH
Conductor material	Copper
AWG wire size	26
Data transfer rate	10000 Mbit/s
Frequency	250 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
-------------------	---------

Logistics data

Harmonized System (HS) code	84733080
