

Prokord UTP-0090

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Cable length	5 m
Jacket material	LSZH

Summary

- ✓ Cat 6 rated, 10 Gbit/s throughput at 250 MHz for fast networks
- ✓ 5m length fits common desk to switch runs, keeps setups tidy
- ✓ Supports PoE, powers devices and carries data over one cable
- ✓ RJ45 male plugs with 26 AWG copper give secure, low loss links
- ✓ LSZH orange jacket limits toxic smoke in emergencies, easy to spot

Product description

Why choose this cable?

Prokord TP-Cable UTP CAT.6 Unshielded Lszh RJ45 5m Orange delivers reliable, high-speed connections for typical office and data closet setups. The LSZH jacket reduces smoke and toxic gases in case of fire, the orange colour helps with fast visual identification, and the 5 metre length suits patching between wall outlets and network equipment.

Prokord TP-Cable UTP CAT.6 Unshielded Lszh RJ45 5m Orange in short:

- Cat 6 U/UTP patch cable for fast Ethernet and short-range 10 Gbit/s links where supported.
- Low smoke zero halogen jacket, suitable for spaces where reduced smoke is required.
- 5 metre length for desk-to-switch or patch panel connections.
- Supports Power over Ethernet for PoE devices such as access points and VoIP phones.
- Unshielded design, choose shielded cable for environments with strong electromagnetic interference.

Prokord TP-Cable UTP CAT.6 Unshielded Lszh RJ45 5m Orange

This cable uses 26 AWG copper conductors with male RJ-45 connectors on each end, so you can plug it directly between switches, patch panels, and wall ports. It runs at 250 MHz and supports high data rates up to 10000 Mbit/s for demanding network traffic in standard installations. The molded, snag-resistant boots protect the connectors during repeated moves and make routing easier. The single-pack format keeps procurement straightforward when you need a reliable, easy-to-identify patch cable for structured cabling or equipment connections.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	5 m
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	Orange
Jacket material	LSZH

Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	26
Frequency	250 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
