

Prokord VGA-VGA 0017

Data sheet

Core Specs

Cable length	2 m
Connector 1	VGA
Connector 2	VGA
Product colour	Grey

Summary

- ✓ 2m length reduces clutter while reaching displays across a room
- ✓ Gold plated contacts ensure stable connections and less corrosion
- ✓ Dual-layer foil and braid shielding reduces interference in busy setups
- ✓ PVC jacket with tinned copper 30AWG wiring balances flex and durability
- ✓ Straight VGA connectors fit standard ports for quick, secure hookups

Product description

Why choose this VGA cable?

Prokord Cable VGA HD15mA - HD15fe W/O Pin-9 2m gives you a straightforward way to connect VGA displays over a practical two metre span. It balances reliable signal transmission with a compact, grey design that fits most environments. Gold-plated contacts and reinforced shielding reduce connection issues and interference, so your displays remain clear and stable in daily use.

Cable VGA HD15mA - HD15fe W/O Pin-9 2m in short:

- Two metre length for flexible monitor and projector placement.
- Gold-plated connector contacts for consistent electrical contact and reduced corrosion.
- Dual-layer shielding with aluminium foil and braid to minimise interference in busy installations.
- Durable PVC jacket and tinned copper conductors for a balance of flexibility and longevity.
- Note: designed for analogue VGA connections and does not include pin 9, so it may not provide +5 V signalling used by some equipment.

Product details

This VGA accessory connects standard D-Sub VGA ports and is suited for classroom, office, and AV installations that rely on analogue video. The cable's straight HD15 connectors fit common VGA sockets without adapters, while the 6 mm diameter and 30 AWG internal wiring keep the cable flexible for routing. Robust shielding and gold-plated contacts help maintain a steady image, and the grey finish keeps the installation visually neutral. The cable is supplied as a single piece per pack for straightforward deployment.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Connector contacts plating	Gold plated
Cable length	2 m
Connector 1	VGA
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	VGA
Connector 2 gender	Male
Connector 2 form factor	Straight

Product colour	Grey
Quantity per pack	1 pc(s)
Cable material	Tinned copper

Weight & dimensions

Weight	166 g
Cable diameter	6 mm
