

Prokord VGA-VGA 0020

Data sheet

Core Specs

Cable length	10 m
Connector 1	VGA
Connector 2	VGA
Product colour	Grey

Summary

- ✓ 10m length allows flexible device placement without degrading video
- ✓ Al foil plus braid shielding reduces interference for clearer images
- ✓ Gold plated contacts ensure consistent signal through repeated use
- ✓ Straight male VGA connectors make hookup and cable routing simple
- ✓ Omits pin 9, check device power needs before connecting

Product description

Why choose this VGA cable?

Prokord Cable VGA HD15mA - HD15mA W/O Pin-9 10m delivers reliable analog video over a 10 meter run, helping you maintain clear displays in rooms where devices cannot sit side by side. Built with gold plated contacts and robust shielding, it reduces interference and keeps connections stable for presentations, classrooms, and fixed AV installations.

Cable VGA HD15mA - HD15mA W/O Pin-9 10m in short:

- 10 m length gives you flexible placement for projectors, monitors, kiosks, and workstations.
- Gold plated connector contacts improve contact reliability and reduce maintenance from intermittent connections.
- Tinned copper conductors with aluminum foil and braid shielding lower interference for clearer images.
- Straight male VGA (HD15) connectors provide a standard, secure fit to VGA ports.
- Note: this cable is supplied without pin 9, check compatibility with devices that depend on that pin.

Function and usability

This Prokord VGA cable transfers standard analog VGA signals between two VGA-equipped devices, making it suitable for conference rooms, training facilities, and exhibition setups. The grey PVC-jacketed cable is flexible enough to route neatly while the 8 mm diameter keeps bulk low for cable management. You receive one cable per pack, so plan installations knowing the length and connector type are fixed.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Connector contacts plating	Gold plated
Cable length	10 m
Connector 1	VGA
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	VGA
Connector 2 gender	Male
Connector 2 form factor	Straight
Product colour	Grey

Quantity per pack	1 pc(s)
Connector gender	Male
Cable material	Tinned copper

Weight & dimensions

Weight	767 g
Cable diameter	8 mm
