

Prokord VGA-VGA 0021

Data sheet

Core Specs

Cable length	15 m
Connector 1	VGA
Connector 2	VGA
Product colour	Grey

Summary

- ✓ 15m length enables flexible display placement in large rooms
- ✓ Gold plated contacts ensure secure, corrosion resistant connections
- ✓ Aluminium foil and braid shielding reduces interference for clearer video
- ✓ PVC jacket and 8mm diameter balance durability and cable flexibility
- ✓ Pin 9 omitted for compatibility with devices that do not use +5V

Product description

Why choose this VGA cable?

Prokord Cable VGA HD15mA - HD15mA W/O Pin-9 15m gives you a long, dependable analog video link for presentations and fixed AV installations. It combines a 15 metre reach with durable construction and effective shielding to reduce interference, so you can place displays and projectors where they work best without frequent signal issues.

Cable VGA HD15mA - HD15mA W/O Pin-9 15m in short:

- 15 m length, suitable for conference rooms, classrooms and control-room installations where distance matters.
- Male-to-male HD15 connectors with gold plated contacts for consistent contact and lower corrosion risk.
- Tinned copper conductors and combined aluminium-foil and braid shielding to help maintain image clarity over long runs.
- Grey, 8 mm jacket that balances flexibility and protection for routing through cable trays or under floors.
- Consideration: missing pin 9 means it may not provide power to devices that rely on that pin, and it is for analog VGA only.

Product details

Prokord Cable VGA HD15mA - HD15mA W/O Pin-9 15m is built for reliable analog video transmission over extended distances. The straight, male HD15 connectors and gold plated contacts support stable connections, while the tinned copper conductors and dual-layer shielding reduce susceptibility to electronic interference. The cable comes as a single unit in a grey PVC jacket that is easy to route and durable for repeated installations.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Connector contacts plating	Gold plated
Cable length	15 m
Connector 1	VGA
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	VGA
Connector 2 gender	Male
Connector 2 form factor	Straight

Product colour	Grey
Quantity per pack	1 pc(s)
Connector gender	Male
Cable material	Tinned copper

Weight & dimensions

Weight	1375 g
Cable diameter	8 mm
