

Prokord VGA-VGA 0024

Data sheet

Core Specs

Cable length	25 m
Connector 1	VGA
Connector 2	VGA
Product colour	Grey

Summary

- ✓ 25m length delivers reliable VGA signals across large rooms
- ✓ Aluminum foil and braid shielding reduces EMI for stable video
- ✓ Gold plated contacts minimize signal loss and improve contact life
- ✓ Tinned copper conductors and PVC jacket ensure durable performance
- ✓ Straight male VGA connectors provide a secure, easy to install fit

Product description

Why choose this cable?

Prokord Cable VGA HD15mA - HD15mA W/O Pin-9 25m provides reliable 25 m VGA signal transmission for extended display setups. Its tinned copper conductors, aluminum foil and braid shielding, and gold-plated contacts reduce signal loss and interference. Straight male connectors keep connections secure and make installation straightforward, helping you maintain consistent image quality with minimal upkeep.

Prokord Cable VGA HD15mA - HD15mA W/O Pin-9 25m in short:

- 25 m length for long runs between video sources and displays, suitable for conference rooms, lecture halls, and control rooms.
- Gold-plated HD15 male-to-male connectors with straight form factor for secure, low-resistance connections.
- Tinned copper conductors with foil and braid shielding to reduce electromagnetic interference and preserve image stability.
- Durable PVC jacket and 8.5 mm diameter for easy routing and abrasion resistance.
- Note: this cable omits pin 9, so check compatibility with devices that rely on that pin for power or signaling.

Product details

This VGA cable transmits analog video over longer distances while aiming to keep image consistency. The combined shielding and copper conductors limit noise in environments with nearby electronics. Gold-plated connector contacts improve contact reliability and help reduce signal degradation at the connection points. The straight, fixed male connectors make the cable simple to install and secure once fitted.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Connector contacts plating	Gold plated
Cable length	25 m
Connector 1	VGA
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	VGA
Connector 2 gender	Male
Connector 2 form factor	Straight

Product colour	Grey
Quantity per pack	1 pc(s)
Cable material	Tinned copper

Weight & dimensions

Weight	2267 g
Cable diameter	8.5 mm

Logistics data

Harmonized System (HS) code	84733080
