

Prokord VGA-VGA 0027

Data sheet

Core Specs

Cable length	5 m
Connector 1	VGA
Connector 2	VGA
Product colour	Grey

Summary

- ✓ Reliable 5m VGA link keeps video steady across workstations
- ✓ Gold plated contacts reduce corrosion for consistent signal
- ✓ Al foil and braided shield cut interference for clearer images
- ✓ Durable grey PVC jacket and tinned copper core stand up to use
- ✓ Configured without pin 9 for non-powered VGA setups

Product description

Why choose this cable?

Prokord Cable VGA HD15mA - HD15mA W/O Pin-9 5m delivers dependable analog video connections over a 5 m run. Its tinned copper conductors, dual shielding and gold-plated contacts reduce interference and maintain a stable signal for monitors and projectors. Straight male VGA connectors make setup fast and tool-free, saving time in meetings and workstation installations.

Cable VGA HD15mA - HD15mA W/O Pin-9 5m in short:

- 5 m male-to-male VGA cable for linking PCs, projectors and monitors.
- Gold-plated contacts for consistent electrical contact and reduced corrosion.
- Aluminum foil plus braided shield reduces interference for cleaner video output.
- Straight HD15 connectors, pin 9 omitted, check device power requirements before purchase.
- Grey PVC jacket and 8 mm diameter for flexible routing and everyday durability.

Product details

The Prokord Cable VGA HD15mA - HD15mA W/O Pin-9 5m provides a straightforward analog video link between VGA-equipped devices. Tinned copper conductors and combined aluminum foil and braided shielding help preserve image quality by limiting electrical noise. Gold-plated contacts improve connection reliability over repeated use, while the straight male HD15 connectors fit standard VGA ports for an easy install. Because pin 9 is omitted, devices that rely on that pin for power or signalling may require a different cable or an adapter.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Connector contacts plating	Gold plated
Cable length	5 m
Connector 1	VGA
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	VGA
Connector 2 gender	Male
Connector 2 form factor	Straight
Product colour	Grey

Quantity per pack	1 pc(s)
Connector gender	Male
Cable material	Tinned copper

Weight & dimensions

Cable diameter	8 mm
Weight	450 g
