

USB Type C To USB 3.0 Type A Fe 0.15m - Black0.15m USB-C USB-A Black

Data sheet

Summary

- ✓ Fast data transfers up to 5 Gbps, suitable for external drives and high-speed file moves.
- ✓ Supports power delivery up to 3 A, enough to power or charge many peripherals.
- ✓ Reversible USB-C male to USB-A female makes legacy devices plug-and-play with USB-C hosts.
- ✓ Overmolded PVC and straight connectors for durability and reliable daily use.
- ✓ Note: 0.15 m length is ideal for close-proximity connections, but not for extended reach.

Product description

Why choose this cable?

Prokord USB Type C To USB 3.0 Type A Fe 0.15m - Black gives a compact way to connect USB-A devices to modern USB-C ports. It delivers fast file transfers and enough power for most peripherals, while the short length keeps workspaces tidy and reduces cable clutter.

Prokord USB Type C To USB 3.0 Type A Fe 0.15m - Black in short:

- Fast data transfers up to 5 Gbps, suitable for external drives and high-speed file moves.
- Supports power delivery up to 3 A, enough to power or charge many peripherals.
- Reversible USB-C male to USB-A female makes legacy devices plug-and-play with USB-C hosts.
- Overmolded PVC and straight connectors for durability and reliable daily use.
- Note: 0.15 m length is ideal for close-proximity connections, but not for extended reach.

Product details

This short adapter cable converts a USB-C port to a USB-A connection for devices like flash drives, mice, keyboards, and some peripherals that require external power. It uses USB 3.2 Gen 1 technology for up to 5 Gbps transfers and supports up to 3 A power output. The cable is USB-IF certified (TID: 3 200 000 054) and comes in a black overmolded design with straight male and female connectors for secure fits and easy handling.
