

GAS SPRING MONITOR ARM 24-32 WHITE

Data sheet

Summary

- ✓ Smooth gas-spring height adjustment for quick, tool-free repositioning, useful for shared workstations and hot desks.
- ✓ Supports VESA 75 x 75 and 100 x 100 mm mounts, fitting most 24–32 inch screens up to 9 kg.
- ✓ Wide tilt, pivot and 360 degree swivel for landscape or portrait orientation and collaborative viewing.
- ✓ Integrated USB hub and cable management reduce clutter and simplify connectivity.
- ✓ Note the arm supports a single display and a maximum weight of 9 kg, so check monitor weight when ordering.

Product description

Why choose this monitor arm?

Prokord GAS SPRING MONITOR ARM 24-32 WHITE makes it easy to free desk space and position a single 24–32 inch monitor for comfortable viewing. The gas-spring height adjustment and full swivel let you switch quickly between sitting and standing. Built-in cable management and a USB hub keep connections tidy, which helps reduce setup time and supports a cleaner, more ergonomic workspace.

GAS SPRING MONITOR ARM 24-32 WHITE in short:

- Smooth gas-spring height adjustment for quick, tool-free repositioning, useful for shared workstations and hot desks.
- Supports VESA 75 x 75 and 100 x 100 mm mounts, fitting most 24–32 inch screens up to 9 kg.
- Wide tilt, pivot and 360 degree swivel for landscape or portrait orientation and collaborative viewing.
- Integrated USB hub and cable management reduce clutter and simplify connectivity.
- Note the arm supports a single display and a maximum weight of 9 kg, so check monitor weight when ordering.

Product details

The GAS SPRING MONITOR ARM 24-32 WHITE combines steel and aluminium construction with a white finish for a durable, professional look. It clamps to the desk and includes the VESA mount, mounting kit, manual, and user guide for straightforward installation. The built-in gas spring and multiple adjustment axes let you fine-tune height, tilt, swivel, and pivot for ergonomic positioning. The unit also carries REACH and RoHS compliance, and the integrated cable routing and USB hub help keep your workspace organised.
