

Deskmount - Black

Data sheet

Summary

- ✓ Single-arm design with a 535 mm extension, useful when you need to pull the screen forward or tuck it away.
- ✓ Fits standard VESA patterns 75 x 75 and 100 x 100 mm, supporting most single monitors up to 9 kg.
- ✓ Clamp mounting works on desks up to 100 mm thick and keeps the surface clear of a monitor stand.
- ✓ Height, tilt (-85° to 15°), swivel and 360° rotation allow flexible ergonomic setups for long shifts or shared workstations.
- ✓ Note: this product supports one display only and is not for multi-monitor setups without extra arms.

Product description

Why choose this desk mount?

Prokord Deskmount - Black frees valuable desk space and lets you place a single monitor exactly where you need it for longer, more comfortable work sessions. It delivers wide reach and repeatable positioning, quick adjustments for tilt, height and depth, and a built-in USB hub so peripherals stay within easy reach.

Deskmount - Black in short:

- Single-arm design with a 535 mm extension, useful when you need to pull the screen forward or tuck it away.
- Fits standard VESA patterns 75 x 75 and 100 x 100 mm, supporting most single monitors up to 9 kg.
- Clamp mounting works on desks up to 100 mm thick and keeps the surface clear of a monitor stand.
- Height, tilt (-85° to 15°), swivel and 360° rotation allow flexible ergonomic setups for long shifts or shared workstations.
- Note: this product supports one display only and is not for multi-monitor setups without extra arms.

Deskmount - Black

Prokord Deskmount - Black provides stable, everyday monitor positioning with simple adjustments for height, depth and viewing angle. The clamp base secures to a wide range of desk surfaces and frees up desktop area. Built-in USB access reduces cable clutter and keeps peripherals close at hand. Use the arm reach and swivel to optimise sight lines in hot-desking, control-room, creative or home-office environments.
