Product description

Why choose these velcro ties?

Prokord Velcro Ties 4Pcs/Set provide a practical, reusable way to keep cables and small items organized. Made from durable Velcro in black, they save time during installation and maintenance by allowing quick bundling, release, and reuse. The low-profile design helps reduce clutter in racks, desks, and field kits while keeping cables intact and easy to trace.

Main functions and use

Prokord Velcro Ties 4Pcs/Set are designed to bundle and secure cables quickly, letting you adjust or reuse them as needs change. The Velcro material grips reliably while remaining gentle on cable insulation, which reduces wear during routine changes. Their compact size and branded finish make them a convenient addition to service kits, server rooms, and office setups where fast, repeatable cable management is required.
