

Stripes 150Pcs - Black

Data sheet

Summary

- ✓ Ladder cable ties for secure bundling of network, power and patch cables.
- ✓ Black plastic finish blends with rack equipment and keeps installations discreet.
- ✓ 150 pieces per pack, suitable for larger cabling projects and spare stock.
- ✓ Simple to apply and tighten by hand for quick on-site cable management.
- ✓ Note: these are standard single-use plastic ties, plan for replacements when rearranging cables.

Product description

Why choose this ladder cable tie?

Stripes 150Pcs - Black Prokord provides an economical and reliable solution for organised cable runs in racks, cabinets and server rooms. The ladder-style profile helps keep bundles aligned and reduces strain on connectors, while the 150-piece pack supports routine installations and maintenance.

Stripes 150Pcs - Black in short:

- Ladder cable ties for secure bundling of network, power and patch cables.
- Black plastic finish blends with rack equipment and keeps installations discreet.
- 150 pieces per pack, suitable for larger cabling projects and spare stock.
- Simple to apply and tighten by hand for quick on-site cable management.
- Note: these are standard single-use plastic ties, plan for replacements when rearranging cables.

Main functions

Stripes 150Pcs - Black Prokord are made to tidy cable bundles, aid routing along rack frames and cable trays, and reduce cable stress at connection points. The plastic ladder design maintains alignment of grouped cables, making it easier to trace and manage lines during changes. The pack size is practical for installation teams and facilities that perform regular maintenance.
