

W3 BlackBlack, Grey

Data sheet

Summary

- ✓ Compact portable speaker with 3W output, suited for personal music listening at a desk, in a workshop, or on short outings.
- ✓ Bluetooth streaming plus 3.5 mm wired input and support for A2DP, AVRCP, and HSP for common playback and call control.
- ✓ Up to 8 hours of playback on the built-in battery, charges via micro USB-B for convenient recharging.
- ✓ IPX6 water resistance and a durable rectangular design with a carry strap for easy attachment and transport.
- ✓ Simple button volume and playback controls with LED indicators; charges by USB, AC adapter not included.

Product description

Why choose this speaker?

Voxicon W3 Black is a compact, rugged portable speaker that delivers dependable 3W audio for personal music listening. It offers Bluetooth and wired connections, up to 8 hours of battery life, and an IPX6 water-resistant build. Simple button controls, LED indicators, and a carry strap make it easy to use across desk, workshop, and outdoor environments.

W3 Black in short:

- Compact portable speaker with 3W output, suited for personal music listening at a desk, in a workshop, or on short outings.
- Bluetooth streaming plus 3.5 mm wired input and support for A2DP, AVRCP, and HSP for common playback and call control.
- Up to 8 hours of playback on the built-in battery, charges via micro USB-B for convenient recharging.
- IPX6 water resistance and a durable rectangular design with a carry strap for easy attachment and transport.
- Simple button volume and playback controls with LED indicators; charges by USB, AC adapter not included.

Sound and connectivity

Voxicon W3 Black provides straightforward audio playback with Bluetooth streaming and a wired 3.5 mm option for devices without wireless support. The Bluetooth profiles supported allow standard stereo audio, remote control functions, and headset-style call handling. Button-based volume and playback controls plus LED indicators make everyday operation quick and predictable.

Portability and durability

The speaker's compact dimensions and 200 g weight make it easy to move between workspaces and outdoor spots. The IPX6 rating offers protection against strong splashes, and the rectangular, rubber-trimmed housing with a carry strap helps keep the speaker secure when you attach it to a bag or hang it nearby. USB charging keeps power management simple during mobile use.
