

USB-C Adapter Premium HDMI 4K

Data sheet

Summary

- ✓ Connects USB-C devices to HDMI displays for presentations, video playback, and extended desktops at up to 4096 x 2160 resolution.
- ✓ Uses HDMI 1.4 and supports 2160p, making it suitable for meeting rooms, classrooms, and media playback on 4K TVs.
- ✓ Compact silver aluminium design, easy to carry between offices or when travelling.
- ✓ Supplied as a single unit, ready for deployment.
- ✓ Check that your device's USB-C port supports DisplayPort Alt Mode to ensure video output compatibility.

Product description

Why choose this adapter?

USB-C Adapter Premium HDMI 4K Prokord gives you a compact way to output high-resolution video from a USB-C laptop or tablet to an HDMI display. It helps you run presentations, extend your desktop, or connect to a 4K monitor with a simple, portable cable and a durable silver finish that fits modern work setups.

USB-C Adapter Premium HDMI 4K in short:

- Connects USB-C devices to HDMI displays for presentations, video playback, and extended desktops at up to 4096 x 2160 resolution.
- Uses HDMI 1.4 and supports 2160p, making it suitable for meeting rooms, classrooms, and media playback on 4K TVs.
- Compact silver aluminium design, easy to carry between offices or when travelling.
- Supplied as a single unit, ready for deployment.
- Check that your device's USB-C port supports DisplayPort Alt Mode to ensure video output compatibility.

Main functions

USB-C Adapter Premium HDMI 4K lets you connect a USB-C source to an HDMI screen without extra software. The adapter provides a reliable HDMI output up to 4096 x 2160, so you can mirror or extend your workspace and play high-resolution video. Its slim, silver housing makes it easy to keep on a laptop bag or in a meeting kit, and the single-pack delivery simplifies purchasing for small deployments.
