

Business15.6" Nylon Black

Data sheet

Summary

- ✓ Fits and protects 15.6-inch laptops in a dedicated padded compartment sized 380 x 50 x 260 mm, suitable for common notebook sizes.
- ✓ Durable nylon exterior with scratch-resistant finish, designed for frequent commuting and office use.
- ✓ Removable shoulder strap and padded top handles let you switch between hands-free and grab-and-go carrying.
- ✓ Front and back pockets plus a single main compartment keep chargers, documents and small accessories organised.
- ✓ Consideration: the bag has one main compartment, so review internal organisation if you carry multiple large devices.

Product description

Why choose this briefcase?

Cirafon nylon briefcase laptop bag combines a clean monochromatic black design with practical protection for 15.6-inch laptops. The nylon construction and scratch-resistant surface keep devices secure during daily commutes and client visits. You get flexible carry options with a removable shoulder strap and padded handles, plus a slim profile that stows easily under seats or in overhead compartments.

Cirafon nylon briefcase laptop bag in short:

- Fits and protects 15.6-inch laptops in a dedicated padded compartment sized 380 x 50 x 260 mm, suitable for common notebook sizes.
- Durable nylon exterior with scratch-resistant finish, designed for frequent commuting and office use.
- Removable shoulder strap and padded top handles let you switch between hands-free and grab-and-go carrying.
- Front and back pockets plus a single main compartment keep chargers, documents and small accessories organised.
- Consideration: the bag has one main compartment, so review internal organisation if you carry multiple large devices.

Cirafon nylon briefcase laptop bag

The briefcase secures your laptop with a zip closure and offers easy access to essentials via the front pocket and rear pockets. It weighs 1075 g, balancing protection with portability for daily travel between meetings or sites. Universal brand compatibility means you can use it with a wide range of laptops and accessories. A two-year warranty provides additional assurance for business deployments.
