Product description

Leather Sport Laptop Bag 15.6" in Genuine Leather - Black

• Genuine black leather • Fits laptops up to 15.6" • Padded and secure laptop compartment • Detachable shoulder strap • Robust and professional design

For those who want to carry their work in style

Leather Sport Laptop Bag is created for the modern professional who wants to combine structure, protection and a professional impression. Made of genuine black leather with clean lines and discreet metal details, just as suitable in the meeting room as on a business trip.

The slim silhouette gives an elegant look without compromising on function or capacity.

Fits laptops up to 15.6"

Max dimensions laptop compartment: 360 × 20 × 210 mm

The separate and padded laptop compartment keeps your computer safely in place throughout the working day. Perfect for commuters, travellers or if you are often on the move between meetings.

Smart organisation, structure without compromise

The interior is designed to give you an organised and efficient working day. The dedicated laptop compartment protects your computer, while the other compartments provide space for a tablet, documents and smaller accessories.

A well thought out layout means that everything is where you expect it to be, no rattling, no searching. Just structure.

Designed for an active working day

Carry it by the reinforced handles or use the detachable and adjustable shoulder strap when the pace picks up. Metal fittings and robust construction provide a stable and solid feel that is evident in every detail.

The bag weighs 1.7 kg, a weight that reflects its quality and durability. With dimensions of 385 × 80 × 300 mm it is spacious enough for the working day yet compact enough to take on a plane or train.

A genuine leather briefcase that not only carries your computer, but also your professional image.
