

Tilt Small Wall Mount 15kg

Data sheet

Summary

- ✓ Compact wall mount for single displays from 10" to 24", ideal for small meeting rooms, POS terminals, and digital signage.
- ✓ Supports VESA 75 x 75 and 100 x 100 mm patterns, making it compatible with many small monitors.
- ✓ Tilt adjustment from -2 to 12 degrees plus rotation to fine-tune screen orientation.
- ✓ Holds up to 15 kg and includes screw nuts for straightforward installation.
- ✓ Check that your monitor's VESA pattern and weight fall within the mount's limits before purchase.

Product description

Why choose this wall mount?

Tilt Small Wall Mount 15kg Prokord gives a compact, reliable wall-mounting solution for small displays. It frees desk space, simplifies screen alignment with tilt and rotation, and offers robust support for monitors up to 15 kg. The design suits tight installations where a low-profile, adjustable mount improves viewing angles and keeps installations tidy.

Tilt Small Wall Mount 15kg in short:

- Compact wall mount for single displays from 10" to 24", ideal for small meeting rooms, POS terminals, and digital signage.
- Supports VESA 75 x 75 and 100 x 100 mm patterns, making it compatible with many small monitors.
- Tilt adjustment from -2 to 12 degrees plus rotation to fine-tune screen orientation.
- Holds up to 15 kg and includes screw nuts for straightforward installation.
- Check that your monitor's VESA pattern and weight fall within the mount's limits before purchase.

Practical details

Tilt Small Wall Mount 15kg Prokord secures a single screen close to the wall while allowing adjustment to reduce glare and optimise viewing height. The mount fits common small VESA patterns, so you can use it with most 10"–24" monitors that match 75 x 75 or 100 x 100 mm. Tilt and rotation help align the display for portrait or landscape use and improve sightlines in compact spaces. Screw nuts are included to simplify installation, and the 15 kg capacity ensures stable support for typical small displays.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Mounting

Minimum screen size	10 "
Maximum weight capacity	15 kg
Maximum screen size	24 "
Mounting type	Wall
Minimum VESA mount	75 x 75 mm
Maximum VESA mount	100 x 100 mm
Panel mounting interface	100 x 100, 75 x 75 mm
