

Tilt Small Wall Mount 25kg

Data sheet

Summary

- ✓ Supports single landscape displays from about 10 to 42 inches, suitable for small meeting rooms, point-of-sale, or digital signage.
- ✓ Fits common VESA patterns, including 75 x 75, 100 x 100, and up to 200 x 200 mm for broad compatibility.
- ✓ Provides tilt adjustment from -2 to 12 degrees and swivel up to ± 25 degrees to reduce glare and improve sightlines.
- ✓ Low-profile design positions the screen approximately 57 mm from the wall for a neat appearance.
- ✓ Note: supports landscape orientation only, and must be used within the stated weight limit of 25 kg.

Product description

Why choose this wall mount?

Prokord Tilt Small Wall Mount 25kg is a compact, space-saving solution that simplifies screen positioning and installation. It supports small to mid-size displays and offers tilt and swivel adjustment for comfortable viewing. The mount holds up to 25 kg and keeps the screen close to the wall for tidy, reliable installations.

Tilt Small Wall Mount 25kg in short:

- Supports single landscape displays from about 10 to 42 inches, suitable for small meeting rooms, point-of-sale, or digital signage.
- Fits common VESA patterns, including 75 x 75, 100 x 100, and up to 200 x 200 mm for broad compatibility.
- Provides tilt adjustment from -2 to 12 degrees and swivel up to ± 25 degrees to reduce glare and improve sightlines.
- Low-profile design positions the screen approximately 57 mm from the wall for a neat appearance.
- Note: supports landscape orientation only, and must be used within the stated weight limit of 25 kg.

Tilt Small Wall Mount 25kg

The Prokord Tilt Small Wall Mount 25kg secures a single display to a wall while allowing simple angle adjustments. You can tilt and swivel the screen to fine-tune viewing without moving the entire installation. The compatible VESA patterns make it easy to match with many small screens, and the compact distance to the wall keeps installations discreet and professional.
