- ✓ Single-pack supply, contains 1 cartridge for straightforward replacement.
- ✓ A compatible replacement cartridge that provides a more economical alternative to manufacturer-branded cartridges.

Product description

Why choose this ink cartridge?

Gilford Ink Black DC-35BK - IP100 provides pigment-based black ink for sharp, long-lasting text and reliable everyday printing. It offers a cost-effective single-pack replacement for portable Canon PIXMA printers, helping you keep document quality consistent while managing running costs.

Ink Black DC-35BK - IP100 in short:

- Compatible with Canon PIXMA iP100, Canon Pixma IP 100 Portable, and Canon PIXMA iP110 for portable and on-the-go printing.
- Pigment-based black ink delivers crisp, fade-resistant text, suitable for invoices, letters, and reports.
- Approximate yield of 191 pages under standard coverage, appropriate for light to moderate printing needs.
- Single-pack supply, contains 1 cartridge for straightforward replacement.
- A compatible replacement cartridge that provides a more economical alternative to manufacturer-branded cartridges.

Product details

Ink Black DC-35BK - IP100 is designed to fit select Canon PIXMA portable printers and to produce consistent black text for business documents. The cartridge's pigment-based formulation improves legibility and resistance to smudging, and the roughly 191-page yield makes it practical for intermittent printing tasks. The single-pack format is easy to store and swap, and the Gilford packaging includes basic handling guidance to help you install the cartridge correctly.
