DC-550BK XL / PGI-550PGBK XL

Data sheet

Summary

- ✓ High-yield XL black cartridge, suited for frequent document printing and longer runs between replacements.
- ✓ Pigment-based ink for crisp, water- and fade-resistant text that holds up in archives and presentations.
- ✓ Compatible with a range of Canon PIXMA models, including iP7250, iP8750, iX6850, MG5450 series, MG6650, MG7150 series, MG7550, MX725, and MX925.
- ✓ Supplied as a single pack containing one cartridge for straightforward replacement.
- ✓ Check compatibility with your printer model before purchase to ensure proper fit and performance.

Product description

Why choose this ink cartridge?

Gilford DC-550BK XL / PGI-550PGBK XL is a compatible cartridge that provides reliable, pigment-based black printing with an XL capacity, delivering up to 500 pages. It reduces replacement frequency and produces sharp, fade-resistant text for documents and reports, while fitting easily into select Canon PIXMA printers for consistent everyday use.

Gilford DC-550BK XL / PGI-550PGBK XL in short:

- High-yield XL black cartridge, suited for frequent document printing and longer runs between replacements.
- Pigment-based ink for crisp, water- and fade-resistant text that holds up in archives and presentations.
- Compatible with a range of Canon PIXMA models, including iP7250, iP8750, iX6850, MG5450 series, MG6650, MG7150 series, MG7550, MX725, and MX925.
- Supplied as a single pack containing one cartridge for straightforward replacement.
- Check compatibility with your printer model before purchase to ensure proper fit and performance.

Product details

The cartridge delivers consistent black output for everyday documents, reports, and business correspondence. Its pigment formulation helps maintain legibility over time, and the XL capacity reduces interruptions from frequent cartridge changes. The unit ships in Gilford-branded packaging and installs like a standard Canon-compatible cartridge, making it simple to integrate into your existing PIXMA workflow.
