Product description

Why choose this ink cartridge?

Gilford DC-551BK / CLI-551BK XL delivers reliable, cost-efficient black printing with a clear, professional finish and an expected yield of 150 pages. It installs easily and keeps document workflows steady, so you can focus on tasks rather than frequent cartridge changes.

DC-551BK / CLI-551BK XL in short:

- Consistent black output for everyday documents like reports, invoices, and letters
- 150-page yield helps plan replacements and reduce interruptions
- Single-pack supply for straightforward inventory and swap?out
- Compatible with many Canon Pixma MG, iP, MX, and iX series printers for easy integration
- Manufactured by Gilford for dependable, cost-conscious printing

Practical use and compatibility

The Gilford DC-551BK / CLI-551BK XL is designed for straightforward black-and-white printing in small offices and workgroups. It delivers crisp, dark text and fits common Canon Pixma models, so installation and replacement are quick. The single-pack format keeps ordering and stock control simple, supporting steady daily printing without complex maintenance.
