Product description

Why choose this ink cartridge?

Gilford Ink Photo Black Claria Premium DE-3361Pbk is a compatible black ink cartridge that delivers consistent, sharp photo and document prints. It offers reliable performance and straightforward installation, helping you keep print quality high while managing running costs and maintenance time.

Ink Photo Black Claria Premium DE-3361Pbk in short:

- Compatible single-pack black ink for photo-quality and document printing
- Consistent, streak-free output to reduce reprints and downtime
- Easy to install, plug-and-play cartridge compatible with select Epson Expression Premium models
- Cost-effective alternative to OEM ink for moderate printing volumes
- Supplied as one cartridge per pack; check printer compatibility before ordering

How you can use it

Gilford Ink Photo Black Claria Premium DE-3361Pbk provides dependable black ink for everyday photo prints and monochrome document needs. The cartridge is quality-tested to help prevent clogs and uneven output, so you get uniform results across batches of prints. Supplied as a single pack, it is a practical choice for small studios or office environments that require regular, reliable black printing.
