Product details

Gilford Ink Magenta Dh-933Xlm - Oj 6100/6600/6700 Premium is designed to deliver dependable magenta output for everyday color printing. The cartridge’s XL capacity reduces the need for frequent changes, helping you keep workflows moving. Its pigment-based ink maintains clear, vibrant tones that work well for presentations, brochures, and colored documents. The cartridge installs like a standard replacement and is supplied as a single unit for straightforward inventory management.
