Black 950XL

Data sheet

Summary

- ✓ High XL yield, up to 2,300 pages, for sustained document printing.
- ✓ Pigment-based black ink for sharp, long-lasting text and clear graphics.
- ✓ Compatible replacement for a range of HP Officejet Pro models, suitable for workgroup printers.
- ✓ Supplied as a single pack, ready to install.
- ✓ Black-only cartridge, intended for monochrome printing tasks.

Product description

Why choose this cartridge?

Gilford Black 950XL is a high-yield compatible cartridge that reduces downtime and printing costs in busy offices. Pigment-based black ink produces crisp, fade-resistant text for reports and legal documents. With an estimated yield of up to 2,300 pages, this single-pack cartridge supports sustained monochrome printing and fewer cartridge changes.

Gilford Black 950XL in short:

- High XL yield, up to 2,300 pages, for sustained document printing.
- Pigment-based black ink for sharp, long-lasting text and clear graphics.
- Compatible replacement for a range of HP Officejet Pro models, suitable for workgroup printers.
- Supplied as a single pack, ready to install.
- Black-only cartridge, intended for monochrome printing tasks.

How it performs

Gilford Black 950XL delivers consistent black-and-white output for everyday office needs. The cartridge uses pigment ink to ensure legibility and resistance to fading, which helps preserve official documents and reports. It installs like a standard replacement and is designed to match workflow demands in environments with frequent printing, reducing interruptions and the need for frequent refills.
