- ✓ Pigment-based cyan ink for clear, durable colour in reports and presentations.
- ✓ Supplied as a single pack, one cartridge per box.
- ✓ Designed to reduce downtime and keep routine print tasks efficient.

Product description

Why choose this ink cartridge?

Gilford Ink Cyan 951XL - Pro 8100 is a high-capacity compatible cyan cartridge that helps you maintain steady printing with fewer interruptions. Its XL yield produces up to 1500 pages, so you replace cartridges less often. The pigment-based cyan ink gives durable, consistent colour for everyday office documents and client-facing prints, supporting predictable running costs and reliable results.

Ink Cyan 951XL - Pro 8100 in short:

- Compatible replacement for HP Officejet Pro 8100 and related Officejet Pro 8600 series printers.
- High (XL) yield, suitable for teams with regular colour printing needs.
- Pigment-based cyan ink for clear, durable colour in reports and presentations.
- Supplied as a single pack, one cartridge per box.
- Designed to reduce downtime and keep routine print tasks efficient.

Product details

Gilford Ink Cyan 951XL - Pro 8100 provides reliable cyan printing that is easy to install and sized for extended use. It delivers consistent colour and durability across regular print runs, making it practical for internal documents and materials you share with customers. The cartridge helps you keep print workflows smooth and predictable.
