Product description

Why choose this ink cartridge?

Gilford Ink Magenta - 951XL - Pro 8100 provides high-yield, pigment-based magenta printing that helps reduce cartridge changes and keeps documents looking sharp and professional. It fits Pro 8100 series printers and is designed to lower operating costs while maintaining consistent colour for everyday business documents and marketing materials.

Gilford Ink Magenta - 951XL - Pro 8100 in short:

- Compatible high-yield magenta cartridge for HP Officejet Pro 8100 series.
- Pigment-based magenta ink for crisp text and stable colour in documents.
- High (XL) capacity, approximately 1500 pages per cartridge.
- Single-pack supply, one cartridge per pack for straightforward replacement.
- Cost-effective compatible option that integrates with existing print workflows.

Gilford Ink Magenta - 951XL - Pro 8100

This compatible cartridge delivers reliable magenta output for office printers, with a focus on sustained performance during regular document and marketing print runs. The pigment-based formulation reduces smudging and keeps colour consistent on a range of coated and uncoated papers. You can install the cartridge quickly and return to printing with minimal downtime, helping you keep document production efficient and predictable.
