- ✓ Pigment-based ink for sharp, long-lasting text and reliable colour consistency.
- ✓ Supplied as a single pack with one cartridge, ready for straightforward replacement.
- ✓ Suited to offices, local print shops, and educational environments with frequent colour printing.

Product description

Why choose this ink cartridge?

Gilford Ink Yellow - 951XL - Pro 8100 is a high-yield, compatible yellow ink cartridge that lowers running costs while maintaining steady, vibrant colour output. Its XL capacity delivers up to 1500 pages, reducing the need for frequent replacements. Pigment-based ink keeps text and graphics clear and durable, and the cartridge is designed for easy fitment in Pro 8100 series printers.

Gilford Ink Yellow - 951XL - Pro 8100 in short:

- High-yield yellow cartridge rated for up to 1500 pages, ideal for high-volume tasks.
- Compatible replacement for Pro 8100 series printers, offering cost-efficient printing.
- Pigment-based ink for sharp, long-lasting text and reliable colour consistency.
- Supplied as a single pack with one cartridge, ready for straightforward replacement.
- Suited to offices, local print shops, and educational environments with frequent colour printing.

Cartridge details

Gilford Ink Yellow - 951XL - Pro 8100 provides dependable colour output for everyday documents and marketing materials. The XL capacity means fewer interruptions for cartridge changes, so you spend less time on maintenance and more on productive work. As a compatible cartridge, it offers a practical balance between quality and cost, using pigment-based formulation to help preserve clarity across many pages. The single-pack supply contains one cartridge, making it easy to stock and replace when needed.
