- ✓ Supplied as a single pack, simple to store and replace during peak use.
- ✓ Designed for HP OfficeJet Pro X451/X551/X476 X576 series, verify compatibility before ordering.

Product description

Why choose this ink cartridge?

Gilford Ink Magenta - No.971XL 6,6K - OfficeJet Pro X451/X551/X476 X576 offers dependable, high-yield magenta output that keeps office print workflows running. With a yield of up to 6600 pages and pigment-based ink, it reduces cartridge changes, maintains consistent color for documents and graphics, and helps control running costs in busy print environments.

Gilford Ink Magenta - No.971XL 6,6K - OfficeJet Pro X451/X551/X476 X576 in short:

- Compatible high-yield magenta cartridge for everyday color document printing.
- Pigment-based ink delivers crisp text and stable color in charts and graphics.
- Up to 6600-page yield, reducing interruptions and supply handling.
- Supplied as a single pack, simple to store and replace during peak use.
- Designed for HP OfficeJet Pro X451/X551/X476 X576 series, verify compatibility before ordering.

How this cartridge performs

This Gilford cartridge is built for routine office tasks that require reliable color output. The pigment-based magenta ink supports clear, legible text and consistent color across multi-page reports and presentations. With high (XL) capacity, the cartridge lowers the frequency of replacements and helps maintain steady throughput in fast-paced print environments.
