X451dn/X476dw

Ink Yellow - No.971XL 6,6K - OfficeJet Pro X451/X551/X476 X576

Data sheet

Summary

- ✓ Compatible replacement for OfficeJet Pro X451, X551, X476, and X576 series printers, ensuring correct fit and performance.
- ✓ High (XL) yield of approximately 6,600 pages, suitable for frequent printing and large document runs.
- ✓ Pigment-based yellow ink for durable, smudge-resistant prints and stable color in mixed-color documents.
- ✓ Supplied as a single-pack with one cartridge per box for straightforward inventory control.
- ✓ Confirm your printer model before ordering to ensure compatibility.

Product description

Why choose this cartridge?

Gilford Ink Yellow - No.971XL 6,6K - OfficeJet Pro X451/X551/X476 X576 delivers reliable, vibrant yellow tones with a high yield of about 6,600 pages. It reduces cartridge changes to lower operating costs, uses pigment-based ink for smudge-resistant output, and fits selected OfficeJet Pro models for simple installation and consistent color across everyday documents.

Ink Yellow - No.971XL 6,6K - OfficeJet Pro X451/X551/X476 X576 in short:

- Compatible replacement for OfficeJet Pro X451, X551, X476, and X576 series printers, ensuring correct fit and performance.
- High (XL) yield of approximately 6,600 pages, suitable for frequent printing and large document runs.
- Pigment-based yellow ink for durable, smudge-resistant prints and stable color in mixed-color documents.
- Supplied as a single-pack with one cartridge per box for straightforward inventory control.
- Confirm your printer model before ordering to ensure compatibility.

Product details

This compatible yellow cartridge provides consistent color output for reports, marketing materials, and everyday office documents. The high-yield design helps reduce downtime and maintenance by extending intervals between replacements. Pigment-based ink improves resistance to smearing and preserves legibility, while the single-pack supply makes it easy to stock and deploy across workstations.
