

Ink Yellow Dh-973Xly 7K - For Pagewide

Data sheet

Summary

- ✓ High (XL) capacity, designed to yield up to 7000 pages and reduce cartridge changes during heavy print cycles.
- ✓ Pigment-based yellow ink for sharp, fade-resistant output that holds up on documents and promotional prints.
- ✓ Optimized for Pagewide printers to maintain consistent color across extended runs.
- ✓ Remanufactured cartridge option that helps lower cost per page without compromising reliability.
- ✓ Supplied as a single pack, one cartridge per box; verify compatibility with your Pagewide model before ordering.

Product description

Why choose this ink cartridge?

Gilford Ink Yellow Dh-973Xly 7K - For Pagewide delivers reliable, high-capacity yellow printing for Pagewide systems. It cuts downtime and lowers cost per page with a yield suited to long runs, while pigment-based ink keeps text and graphics crisp and resistant to fading for professional-looking documents and marketing materials.

Gilford Ink Yellow Dh-973Xly 7K - For Pagewide in short:

- High (XL) capacity, designed to yield up to 7000 pages and reduce cartridge changes during heavy print cycles.
- Pigment-based yellow ink for sharp, fade-resistant output that holds up on documents and promotional prints.
- Optimized for Pagewide printers to maintain consistent color across extended runs.
- Remanufactured cartridge option that helps lower cost per page without compromising reliability.
- Supplied as a single pack, one cartridge per box; verify compatibility with your Pagewide model before ordering.

Product details

This Gilford cartridge provides a straightforward replacement for Pagewide systems where sustained color output is required. The high-yield design supports long print jobs so you manage supplies less often and keep printers running. Pigment-based formulation produces durable, vivid yellow tones that work well in mixed-document workflows and marketing prints. The cartridge is supplied as a single, high-capacity unit for easy installation and predictable performance.
