Product description

Why choose this ink cartridge?

Ink Yellow Dh- 953XL - Oj Pro 8710/8720/8730/8740 Gilford gives you a reliable, high-yield yellow replacement that lowers cost per page and keeps color documents consistent. It is easy to install and helps reduce downtime in busy print environments, so you can maintain full-color output with fewer cartridge changes.

Ink Yellow Dh- 953XL - Oj Pro 8710/8720/8730/8740 in short:

- Compatible, high-yield yellow ink cartridge designed for select HP OfficeJet Pro printers.
- Remanufactured unit that helps lower purchasing and waste disposal costs.
- Single pack, 1 piece supply for straightforward replacement.
- Works with OfficeJet Pro models including 8710, 8715, 8720, 8725, 8730, 8740, 7740 and others.
- Choose this cartridge when you need consistent yellow color for reports, marketing materials, and everyday color printing.

Product details

This Gilford compatible cartridge supplies yellow ink for OfficeJet Pro machines and fits like an original to restore full-color printing. The XL capacity extends time between replacements, so you spend less time changing cartridges and more time printing. The single-pack format keeps procurement simple and makes stock management easier for your office.
